Educational vouchers give you a discount on the school bill.
Put a sticker from your child's health insurance fund on the right side of this leaflet.
Indicate whether you are in collective debt settlement or budget management.
Indicate whether you have a foster child and give the foster care certificate to the school.
Tear off the right side of the leaflet and give this back to the school.
If you are entitled to it, you will automatically receive the discount on the school bill.

If it is approved, you will get an annual discount of 45 euros on the school bill for your child in kindergarten. The discount for your child in primary school is 90 euros. Students in secondary school get a discount of 110 euros.

If you do not speak Dutch and you still have questions about this, you can make an appointment with a Diversity Liaison (contact toeleiders@brugge.be or 050 32 42 40).

If you want more information about education and parenting in Bruges (including the educational vouchers) in your native language? Then you can make an appointment with an Educational Ambassador (contact jade@fmdo.be or 0488 51 04 04).
